Illinois State Reporting

- Recent Releases:
 - SCA
 - Term fixed
 - Potential performance issues with PS v9.1 (report to Support)
 - PowerSchool is reviewing functionality of report – possibly removing the “entry/exit” options and have it work for both
 - Request from ISBE
 - For SCA uploads, run SCA report, save report file, and upload to SIS
 - No need to convert to .csv file

Illinois State Reporting

- Coming Soon:
 - Student Address (header fixed) – [11/20 release](#)
 - Service Provider (header fixed) – [11/20 release](#)
 - Discipline
 - Duration codes updated - [December release](#)
 - PARCC – [December release](#)
 - Updated PARCC fields
 - Radio buttons
 - Recommended process: download Pre-ID report from SIS, import data into PowerSchool, make changes in PS, run Pre-ID report out of PowerSchool and upload into SIS.

Illinois State Reporting

- Other (cont.)
 - PARCC
 - New Excel templates are now on ISBE website
 - PARCC Pre-ID starts on 12/7 and is due on 3/4/16
 - 1st load from SIS to PARCC is scheduled for 1/15/16

Illinois State Reporting

- Working on.....
 - Dual/Concurrent Enrollment
- Future Projects
 - Incident Management vs. Discipline Logs for State Reporting
 - Health Reports
 - Your ideas???
