Current Projects for Upcoming Release – planned for November 8 – Dec 13

- College Course Assignment (CCA) – new for 13-14 SY
 - Will be on the IL Course Assignment report page as Mode in addition to SCA and OCA
 - Will be new IPEDS field on stored grade page (HS students taking Community College Courses)
 - Will extract records for any stored grades, within the reporting term, with IPEDS populated
 - IPEDS codes will be dropdown or code page (about 75 codes)
 - Will generate same data layout as SCA plus IPEDS field

Current Projects for Upcoming Release – planned for November 8 – Dec 13

- ELL Screener
 - Known Issue – multiple records extracting for same student
 - Adding ability to include students with screener dates who are not yet enrolled
- Early Childhood Outcome (ECO) – new rules for 13-14 SY
 - More submissions per year
 - Submit data at any time while student enrolled
 - Submit Entry Rating before student exits
 - Submit Progress Rating if last rating > 6 mos. old
 - We'll change PowerSchool from "Exit Rating" to "Progress Rating" terminology
 - PowerSchool will show the last progress rating. Historical data accessible via IWAS, not in PowerSchool

Targeted for Future Releases –

- CRDC
 - Planning to update in PowerSchool, pending final federal requirements
 - Fall 2013 – Early Summer 2014: LEAs gather data elements collected on the CRDC.
 - Fall 2014 – Winter 2014: Survey submission window for LEAs to submit their data to OCR.
 - OCR Schedule for Finalizing the Upcoming Collection
 - “On August 20, 2013, the initial period for commenting on the proposed 2013-14 and 2015-16 CRDC closed. In September 2013, another notice will be published in the *Federal Register* soliciting comments for an additional 30 days. Final approval of the data elements from the Office of Management and Budget is expected in late Fall 2013.”
